

Senior Intensive Support

Central's SIS team will work with individuals to increase socialization, build relationships, complete housing referrals, and provide medication monitoring and environmental management. The goal is to support the individual in meeting their needs while allowing them to remain in their home. Central's team will ensure that the individual can thrive independently in the community.

Services

This program coordinates, facilitates, and provides:

- Transportation Coordination
- Increased Socialization Opportunities
- Environmental Management
- Medication Monitoring
- Money & Resource Management
- Food Shopping Assistance
- Applications & Referrals
