

Leaders from all sectors of our community collaborate to devise a cohesive plan that drives social change and improves educational, social and mental health outcomes for youth.

- Research-based, community wide message campaigns
- Action teams for business, education, faith, government and non-profit leaders create local strategies to improve outcomes for area youth

Designed to build a community of thriving teens, our youth-led THRIVE projects help youth use their voice and their skills to positively impact their peers.

- THRIVE Leadership Club for area high schoolers
- Youth-led events and projects to promote healthy lifestyles
- Graphic design and video contests
- Free Fun Fridays
- Bulletin boards that promote positive choices designed by area middle school students
- Community service

Parent programs support those caring for youth in our most important work: raising confident, resilient youth.

- The Parent Speaker Series offers expert advice on parenting for today's world
- Parent Trek: meet ups on local park trails create parent leaders within our schools and neighborhoods.
- parent engagement action team
- youth engagement action team

OUR VISION

We envision a community where youth thrive, supported by their parents, their peers and their community to live substance-free, violence-free and emotionally healthy lives.

Improving outcomes for
youth
through partnership
and prevention.
